

PRAYER POINTS

Week of March 1

Prayer Points from ministry leaders around the world:

- A church plant in Michigan that ministers to people from a Muslim background recently started a Bible study with believers who are preparing for baptism. "Lord willing, there may be a baptism in late spring or early summer of four or more new Christians!" said your church planter. Please pray for these believers as they continue to grow in faith and take this important step in discipleship through baptism.
- Give thanks for Mr. and Mrs. Park, who were baptized in February! They struggled for years to find a church home in Korea where they could explore Christianity. But when they moved to Japan, they connected with a church where Resonate missionaries Jeong and MiSook Gho are leaders, and the Parks committed their lives to Christ!
- Pray for Resonate's Journeys into Friendships Network of believers who are exploring what it means to be better friends to neighbors from a variety of cultural and religious backgrounds. Ask God to work through this network and these relationships to draw people into a relationship with Christ.
- Resonate missionary Justin Van Zee, who serves in Cambodia, is co-facilitating a spiritual formation course for seven young adult leaders from around the world. Pray for these young adults as they grow in their leadership skills and join the Holy Spirit's work in their communities.
- God is at work in and through Christian educators who participate in Educational Care training facilitated by Resonate missionaries. Please pray for wisdom and encouragement for these teachers and principals as they share the love of Christ with students.
- Mike Mun, your Resonate partner campus minister at Drew University in New Jersey, asks you to pray that students will embrace the campus ministry's vision

"to reach every corner of the school's campus and courageously share the gospel through any means." Pray for the Holy Spirit to stir faith on this campus!

Your prayer matters!

We recently asked you to pray for Resonate missionaries Bessie and Stan Kruis as they trained lay leaders in the Christian Reformed Church in the Philippines to lead Bible studies. Thank you for praying!

They've trained 35 believers from 10 congregations.

"One trainee put the training to work, leading several Bible study groups, and reported that four new people came to faith in Christ through the Bible studies," said Bessie and Stan. "Thanks so much for your prayers! To God be the glory."

Thank you for your faithful prayers. To subscribe to Prayer Points, visit www.resonateglobalmission.org/subscribe
