

PRAYER POINTS

Week of June 7

Prayer Points from ministry leaders around the world:

- Resonate missionaries David Kromminga and Mary Buteyn planted a church with and for newcomers in Berlin, Germany. Please pray for this church as they connect with their surrounding community. "Ask God for people to respond to Jesus' invitation in their lives," ask David and Mary.
- The number of young adults living with mental illness on university campuses has increased in both Canada and the United States. Please pray for Resonate partner campus ministries that provide valuable support for these students.
- Resonate missionaries in Central Asia ask you to pray for a believer from a Muslim background who was recently baptized. "Pray for spiritual growth and commitment in following the Lord," ask your missionaries.
- Graduate Christian Fellowship and Church on The Ave, two Resonate partner ministries in Seattle, Washington, celebrated three baptisms this spring! They are looking forward to two more. Praise God! Please pray for these disciples as they continue to follow Christ.
- Last November, two record-breaking hurricanes devastated parts of Central America. Thousands of people experienced trauma. Please pray for Resonate missionary Steve Holtrop and the network of churches, individuals, and organizations he's mobilizing to help provide trauma-healing workshops for communities. Pray that people will be able to find comfort, hope, and healing in Christ.
- Resonate missionary Mark Wiersma facilitates Educational Care training in Nigeria. He asks you to pray for the new trainers he's equipping to lead their peers through the lessons. "Ask God to affirm their work," said Mark.

Your prayer matters!

Throughout the coronavirus pandemic, we've been asking you to pray for the health of individuals, communities, and ministries that Resonate works with throughout the world. Thank you for praying!

Resonate missionary Brent Seely works with SaiLom, a ministry in Thailand that supports young men living with disabilities. "The SaiLom team, and most importantly their members, have remained healthy and Covid-19-free," said Brent.

Praise God! Please pray for continued health.
