

# PRAYER POINTS

---

Week of August 9

## Prayer Points from ministry leaders around the world:

- Resonate missionaries Gail and Yonas Gorfe ask you to pray for the conflict in the Tigray region of Ethiopia. Ask God to protect individuals, families, and communities. Pray that Christ's peace will reign.
- Several Resonate missionaries serve in Japan, where less than one percent of people are professing Christians. Resonate missionaries Ken and Jeannie Lee request that we ask God "to raise up pastors, leaders, missionaries, and evangelists to share the gospel with the full knowledge of Christ in this land."
- Pray for individuals participating in Resonate's Go Local and Joining God in the Neighborhood cohorts. These cohorts provide opportunities to learn how to be more present in our neighborhoods and to join the Holy Spirit at work. Pray that these participants will be strong witnesses for Christ in their communities.
- Resonate missionaries Alicia and Maynor Navarrete serve with the Nehemiah Center, a Resonate partner in Nicaragua. They give thanks for the strong relationships the ministry continues to build with churches in Nicaragua.
- A Resonate partner church plant in Michigan that ministers with people from a Muslim background recently celebrated three baptisms! "Pray for these newly baptized believers to stay strong in the Lord and to be effective witnesses," the church planter asks.
- Give thanks for the youth Bible studies that Resonate missionary Sara Sytsma is leading in Uganda. "The youth keep inviting more youth and they have divided into multiple groups now with 30 regular attenders," said Sara. Recently, five boys accepted Christ!

## Your prayer matters!

We've been asking you to pray for ministry throughout the coronavirus pandemic. Thank you for praying!

Joel and Hailey Altena, who serve at LCC International University in Lithuania, have been able to gather safely in-person with students. "We have waited for these days for such a long time!" said the Altenas. "We are grateful for others' presence, encouragement, and the joy that comes with being together again."

Many countries are still struggling with Covid-19. Please continue to pray for God's healing and protection.
