

## **JOINING GOD IN THE NEIGHBOURHOOD**

### **An Online Cohort**

### **THE HARVEST IS PLENTIFUL!**

That's what Jesus said. And he was quick to add, "But the laborers are few."

(Luke 10:2)

How might God be calling us, his present-day disciples, to become Kingdom harvesters right in our own neighbourhoods?

In **Joining God in the Neighbourhood** participants learn how to listen to God, others and our neighbourhood in order to discover where God is at work and join him in mission.

In this action-reflection-learning process you will cultivate and learn from habits that God can use to bring in His harvest.
