

Coaching Grant
(up to \$1200; annual renewable grant)

We provide grants for those seeking qualified coaching for guidance in the process of developing new projects.

Ministry Name: _____

Name of participant(s) (at least one must be the ministry leader):

Name and contact information of coach:

Coaching credentials (for example, their resume or their training certification):

Describe your agreed-upon coaching plan with timeline:

Grant money requested, with breakdown of expenses: \$ _____

Fundraising Training Grant
(up to \$2000 one-time grant)

We provide grants for those seeking qualified training and/or coaching in raising funds for new mission endeavors. This grant helps cover the cost of receiving associated training, materials, etc.

Funds may be used to cover the expenses of attending a fundraising training, including items such as event registration, materials, transportation, lodging, and meals.

Ministry name: _____

Name and date(s) of fundraising training (if applicable): _____

Name of participant(s) (at least one must be the ministry leader): _____

Name of fund raising coach (can be your ministry coach) and their credentials (e.g. resume and/or training certification): _____

Agreed-upon coaching plan with timeline (if applicable):

Grant money requested, with breakdown of expenses: \$ _____

Church Planter Grant
(up to \$15,000 one-time grant)

Resonate Global Mission encourages church plants to seek local support for the costs of a church planter’s salary and basic church expenses. However, in some cases, a planter will need additional assistance as he/she raises up a core group for internal giving and establishes a fundraising plan.

This grant may be applied for as a one-time grant or split up across multiple years (via multiple applications).

Ministry Name: _____

Name of church planter: _____

Timeline period covered by this grant: _____

Please explain the reason behind the need for this planter grant:

Please explain how the church plant will create local financial ownership in order to build long-term sustainability:

Grant money requested: \$_____

Equipment/Facility Grant
(up to \$7500 one time grant)

This grant helps meet the capital start-up costs of strategic equipment (non-disposable items) such as various equipment, coffee pots, children’s ministry curriculum, block party equipment, grill, etc. Grant may not be used for facility purchase or mortgage.

Ministry Name: _____

Please outline your anticipated budget, with a breakdown of expenses.

Grant money requested, with breakdown of expenses: \$ _____

Community Engagement Experiment Grant

(up to \$3,000 renewable grants; multiple grants per year may be offered)

We encourage ministry leaders to find new ways to connect with their community and experiment with new ways to engage with their local context. Grant money may not be used for staffing.

Ministry Name: _____

Explain your Community Experiment, including the intended audience, timeline, summary of the idea, your goals (how will you know if it is successful?), and your plan for reflecting and learning from this experiment:

Grant money requested, with breakdown of expenses: \$ _____

Intercultural Partnership Grant
(up to \$5000 annually; renewable grant)

We encourage ministry leaders to connect with their neighbors of differing faiths, heritages, and ethnicities. Grant money may not be used for staffing.

Ministry Name: _____

Tell us about your intercultural neighbors:

Tell us your plan for connecting with these intercultural neighbors, including the intended participants, timeline, summary of the idea, your goals (how will you know if it is successful?), and your plan for reflecting and learning from this plan:

List the names of any community partners you'll be connecting with in these efforts:

Grant money requested, with breakdown of expenses: \$ _____

Apprenticeship Grant for Emerging Leaders
(up to \$5000-10,000 annually on a matching basis)

We provide matching grants for individuals who have demonstrated leadership potential within a local ministry setting. This grant may be used to fund 6-12 month apprenticeships for raising up and training new ministry leaders.

Ministry Name: _____

Name and short biography of potential apprentice:

Name and short biography of potential mentor for this apprentice.

Please include a copy of a 6-12 month Apprenticeship Plan, signed by both the apprentice and mentor.

Will the apprentice be working through the assessment process as part of the apprenticeship?

- Yes
- No

Is the apprentice interested in being involved in a Learning Community with other apprentices?

- Yes
- No

Grant money requested, with breakdown of expenses: \$ _____

Ministry Leader Health & Development Grant
(up to \$1200 annual renewable grant)

We encourage ministry leaders to be intentional about their spiritual, physical, and emotional health and development. This may include continuing education, spiritual retreats, counseling, marriage retreats, attending conferences, reading books, etc. with the use of this grant.

Ministry Name: _____

Ministry Leader: _____

Personal Growth: what is God shaping and molding in the ministry leader, and how will this help him or her grow as a leader?

Grant money requested, with breakdown of expenses: \$ _____

Ministry Spouse Health & Development Grant
(up to \$1200 annual renewable grant)

We encourage ministry leaders' spouses to be intentional about their spiritual, physical, and emotional health and development. This may include continuing education, spiritual retreats, counseling, marriage retreats, attending conferences, reading books, etc. with the use of this grant.

Ministry Name: _____

Ministry Leader's Spouse: _____

Personal Growth: what is God shaping and molding in the ministry leader's spouse, and how will this help him or her grow as a leader?

Grant money requested, with breakdown of expenses: \$ _____
